

CHICK, TURKEY & DUCKLING GUARANTEE

While we pay extra to have our Chicks sexed, the sexing of chicks is not an exact science, it's roughly between 90%-95% accurate. With that said, we cannot refund or exchange a Rooster for a Pullet, we apologize for any inconvenience this may cause, but we appreciate your understanding and cooperation.

Since all of our chicks leave here healthy, we can only guarantee any casualties for 24-hours after they leave our store. While they are here, they have a controlled environment, but once they leave we have no control over their environment or any deaths you may have.
